Keep the alphabet soup agencies out of your bedroom. Understand federal 18 U.S.C. § 2257 record-keeping, anonymous business structures, and how to operate without leaving a paper trail to your real identity.

"BU Syllabus: You want the money, not the attention of federal record inspectors or nosey neighbors. We teach you how to lock down your brand so hard that even the NSA couldn't link it to your real mailbox. Welcome to the legal fortress."
